DECLARATION IN RESPONSE TO MARCH 29, 2001 NOTICE CONCERNING THE  
ATOMIC ENERGY ACT OF 1954 42 U.S.C §2182

I, the undersigned, Michael J. Taylor, a citizen of the United Kingdom and residing at 2660 NW Garryanna Drive, Apt. 1, Corvallis, OR 97330, declare as follows:

- ok
1. I made and conceived the invention described and claimed in U.S. Application No. 09/970,532, filed with the U.S. Patent and Trademark Office on October 3, 2001 and titled "Bovine Tumor Necrosis Factor Receptor-1 and Methods of Use."
  2. I made and conceived this invention while I was employed by Iowa State University; the invention is related to the work I was employed to perform and was made within the scope of my employment duties; the invention was made during working hours and with the use of facilities, equipment, materials, funds, information and services of Iowa State University.
  3. The invention was not made or conceived in the course of, or in connection with, or under the terms of any contract, subcontract, or arrangement entered into, with, or for the benefit of the United States Atomic Energy Commission or its successors, the Energy Research and Development Administration or the Department of Energy.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements are made with the knowledge that willful false statements and the like so made are
